Two Days Faculty Development Programme (FDP)

On

“RESEARCH ANALYTICS & RESEARCH PROPOSALS”

21.12.2018 to 22.12.2018

Organized by

Department of Management Studies (DOMS)

Manakula Vinayagar Institute of Technology

Kalitheerthalkuppam, Puducherry – 605107 .

About Manakula Vinayagar Institute of Technology (MVIT)

Manakula Vinayagar Institute of Technology, with its motto to Educate, Empower and Excel, has risen to meet the ever increasing need for consummate technologists who would usher in a better tomorrow that would free people from the clutches of old world ideas. Manakula Vinayagar Institute of Technology is a self-financing technical institute started in 2008 with the aim to make state-of-the-art technology to the rural society and to open up career opportunities for the underprivileged youth in and around the vicinity

About the Department of Management Studies (DOMS)

Our department provides the management education to impart competency among business aspirants, who can render useful service to the society and business community. The curricular and the co-curricular activities recommended by Pondicherry University form the basic structures acting as springboards to step into the mystery of human life and beyond. The department is nurtured by qualified Faculty members having rich practical experience in Industry and Teaching. The faculty members avail continuous training through FDPs, QIPs, etc in their specialization domains, and adapt emerging pedagogies to achieve excellence in Teaching and Learning outcomes.

ABOUT THE FDP

The programme is designed to equip academicians, researchers and interested stakeholders to gain practical insight and clarity on Research initiatives and outcomes. Emphasis will be given on concept of Research Analytics, Publications and Preparation of Research Proposals.

Resource Persons

1. **Dr. R. Kasilingam**, Associate Professor, Pondicherry University, Puducherry
2. **Dr. RPCS Rajaram**, Professor, Annai Mathammal Sheela Engineering College, Namakkal.
3. **Dr.M.Bhuvana**, Assistant Professor, Vel Institute of Science, Technology and Advance Studies (VISTA), Chennai – 600 117

Programme Outcomes:

At the end of the course, participants will

- Understand the context of Research Analytics
- Apply structured equation modeling (SEM) Approach in Research.
- Prepare research proposals for funding from agencies.

Target Audience:

Academicians, Research Scholars, PG students and Executives (Company) involved in research.

Terms & Conditions:

1. The workshop is only for limited number of participants (60 maximum)
2. Participants will be enrolled on first come first serve basis.
3. Participation is mandatory for awarding certificates.
4. Participants can make their own accommodation at their convenience.
5. Participants can avail College Transport facilities from Puducherry and Villupuram for reaching the venue.
