4. To discuss the revision of the Microprocessor and Microcontroller lab course in alignment with the theory course,
5. Any other item with the permission of the Chair.

Minutes of the Meeting-UG

1. **Dr. S. Pariselvam**, Chairman, BoS officially announced the opening of the meeting and welcomed the external, internal, co-opted members and also thanked them for accepting the invite and their presence as member of the board of studies, Chairman highlighted the credentials of the Institution, Department and the meeting thereafter deliberated on agenda items that had been approved by the chairman.
2. The revised order of the Open Elective courses was presented before the Board of Studies, and the members approved the revision.
3. **Dr. Shanmuganeethi**, Professor and Head, NITTTR, Chennai, suggested increasing the number of courses offered under the Open Elective category, as the current list of courses is limited. Expanding the range of Open Electives would provide students with greater flexibility and a wider selection of courses aligned with their interests and career aspirations.
4. BOS Members also suggested that the **Wireless Sensor Networks** course under the **Professional Elective-II** category be replaced with a more relevant and emerging

elective to better align the curriculum with current industry trends and technological advancements.

5. BOS expert member suggested that the title of the Mathematics course **25UMAT31** be revised to more accurately reflect the scope and content of the course.
6. As suggested by Dr.Varalakshmi, in the previous Board of Studies meeting, **Microprocessor and Microcontroller** course should be revised by incorporating **Embedded Systems** topics, and the corresponding laboratory course should be updated to align with the revised theory syllabus. The revised courses were presented before the Board for approval.
