INSTITUTE VISION MISSION

VISION

To be a Globally reputed Technical Institution creating Competent leaders and Skillful innovators in Science, Technology and Management.

MISSION

- IM1: Providing a dynamic and creative learning environment for its students to acquire exemplary technical, analytical, professional skills.
- IM2: Imbibing a spirit of innovation and research among its students and faculty for solving critical problems.
- IM3: Promoting Innovation, Employability and entrepreneurship skills through industry academia collaboration.
- IM4: Serving the society through technical intervention and creating socially responsible Professionals.

DEPARTMENT VISION MISSION

VISION

To be a centre of excellence in Computer Science and Engineering, nurturing innovative leaders equipped with global technological competencies

MISSION

- DM1: To provide excellence in computer science and engineering education through innovative teaching and industry-aligned curriculum.
- DM2: To nurture problem-solving capabilities and research competencies among students and faculty for addressing real-world computing challenges.
- DM3: To foster industry collaboration by establishing a centre of excellence in emerging computing technologies, driving innovation and entrepreneurship.
- DM4: To develop ethically computing professionals with leadership qualities, contribute to addressing societal challenges through technological innovations.

ABOUT THE DEPARTMENT

The Department was started with an intake of 60 students in 2008; the sanctioned intake was increased to 120 seats in 2010 ; the sanctioned intake was increased to 180 seats in 2024 ; the sanctioned intake was increased to 240 seats in 2024 The Department of Computer Science and Engineering has been continuously making progress in Teaching and R & D activities.

The Department focuses on preparing the students for wide range of IT careers equipping them with unique enriching experience of molding tomorrow's technocrats with high caliber and commitment. The Department is well equipped with 180 Computer Systems with latest configuration and also has a separate Department Library with Latest Titles, Editions, Journals, Magazines and also connected with Internet Facility. The Department organizes Seminars, Workshops and Guest lecturers to enhance the Technical Skills of the students, so that they can face global competition.

The Department has entered into an MoU with IBM NIIT, CMC, Blue Lotus, RIPE, Innovative Services for software training and Faculty Development Programmes, besides R&D activities. The software team of the Department has made laudable contribution by developing software for campus management, attendance help line and on-line test. Many of the students are well placed in leading software companies such as TCS, Infosys, WIPRO, etc.

In CSE Department, Post Graduate M.Tech Programme has been started from the year 2012 with an intake of 18 Students. In our first batch M.Tech Programme, all the 18 Students have been passed in all the Subjects and they have produced 100 % results. In CSE Department, a Department Internal Library is also functioning with 150 titles.

POSH Cell activity for CSE
department girls students by Ms
Poornima Advocate , district court,
puducherry

poems

**Life is just meant to be this way.
It's your way or my way,
I think we were not meant to be,
It is for you to see. But,
I am glad that you came in my life,
You gave me lessons to strive,
I will cherish your part in my life
forever**
