PROFILE OF THE INSTITUTION

Manakula Vinayagar Institute of Technology (MVIT) with its motto, Educate, Empower and Excel, is a self-financing technical institute started in the year 2008 by Sri ManakulaVinayaga Educational Trust with the aim to provide state-of-the-art technology to the rural society and to open up career opportunities for the underprivileged youth in and around the vicinity.

Manakula Vinayagar Institute of Technology is a reputed institution in Pondicherry with good academic achievements, excellent placements, accolades in competitions/co-curricular activities etc., Our institution is the most preferred institution in Pondicherry for admission in Engineering courses with the opening cut-off of more than 85% marks for all the courses.

The institute is approved by AICTE, affiliated to Pondicherry University, accredited by NAAC with 'A' Grade and 3 of the programmes, viz., ECE, CSE and IT are accredited by NBA. The institute is offering courses in UG- B.Tech (EEE, ECE, CSE, IT, MECH, Robotics & Automation, Food Technology, CSE-IOT and Cyber security including Block chain Technology, Artificial Intelligence and Machine Learning), PG courses - M.Tech (ECE & CSE), MBA and Ph.D in ECE.

The academic and co-curricular activities are being coordinated by the faculty members who have rich experience and expertise in various domains. The average graduation percentage (UG&PG) of the institution for the last five years is 88% and in every batch significant numbers of students are securing university ranks.

The institute has a well equipped central library (8400 sq.ft.) with good repository of online resources. The Centre of Excellence (CoE) has been established in collaboration with Google, IBM, Texas Instruments, Autodesk, Eplan, CISCO, Microsoft, etc.

The Training and Placement Cell conducts various training programs including softskill training and provides good placements in IT and core industries every year. Co-Curricular activities and Extra Curricular activities are promoted through the 40 functioning cells/clubs/committees.

The NSS unit instills the spirit of social responsibility among the students. IQAC of our institution ensures the quality of teaching learning process, facilities and research to meet the standards of higher education. This cell periodically monitors, reviews and provides suggestions for attaining the expected outcomes.

The Industry Institute Interaction cell (IIIC) identifies the industrial expectations and prepares the students accordingly through seminars, expert lectures, workshops, competitions, industrial visits, inplant training, internships and live projects. To foster the culture of industrial practice in

the institution, the institute has signed MoU with industries. Apart from membership with professional bodies the institute has also membership with industrial associations such as CII, NIPM, NIQR, PDYHRC, ISHRAE, MMA. The R&D cell and Institute Innovation Council of the Institute along with Idea Club, Venture Club and Innovation Club nurtures the spirit among the studentstowards research, innovation and entrepreneurship. MSME-supported Technology Business Incubator is functioning to support the budding entrepreneurs. One startup (Ignite Skylabs) is currently functioning in the campus.

The Vision and Mission statements of the institute are framed based on the views and suggestions obtained from stakeholders of the Institute, which includes Faculty Members, Employers, Industrial Experts, Alumni, Parents and Students. The social needs at the Regional, National and Global levels were also considered during framing the vision and mission statements.

INTERNAL QUALITY ASSURANCE CELL (IQAC)

Introduction

University Grants Commission has given the XII plan guidelines for establishment and monitoring of the Internal Quality Assurance Cells (IQACs) In Colleges (2012 – 2017). National Academic Accreditation Council (NAAC) instills the necessity of an internal mechanism within a Higher Education Institution for sustenance, assurance and enhancement of the quality culture of education imparted, by it. By following the guidelines released by UGC the Institute has established its Internal Quality Assurance Cell (IQAC) on July 2015 during the Academic year 2015-16. Moreover, such institutional internal quality system has been made mandatory by UGC and NAAC for ensuring quality enhancement and continual improvement. This in turn would make the Institute eligible for undertaking funded educational and Infrastructural developments, for the benefit of the Teaching and learning community.

Vision of IQAC

To institutionalize the quality assurance culture by evolving, enhancing and sustaining excellence in academics/co-curricular/research/extension activities and to catalyze it through regular evaluation.

Mission of IQAC

- Setting quality benchmarks, monitor and accelerate the process of attainment of outcomes
- Developing/enhancing the co-curricular initiatives/activities among students and facilitate its systematic implementation
- Promoting research culture among the faculty and students
- Assessing the annual progress through periodic internal and external audits
- Building association with stakeholders and stimulate social responsibility

Functions of IQAC

- Development and application of quality benchmarks/parameters for the various academic and administrative activities of the College
- Facilitating the creation of a learner-centric environment conducive for quality education
- Enabling faculty to adopt the required knowledge and technology for participatory teaching and learning process
- Arrangement for feedback responses from students, parents and other stakeholders on quality- related institutional processes
- Dissemination of information on the various quality parameters of higher education
- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles
- Documentation of the various programmes/activities of the College, leading to quality improvement

- Development and maintenance of institutional database for the purpose of maintaining / enhancing the institutional quality;
- Development of the Annual Quality Assurance Report (AQAR)

Benefits of IQAC

The IQAC functioning in the Institute ensures the following benefit to all its stakeholders:

- Ensure heightened level of clarity and focus in institutional functioning towards quality enhancement
- Ensure internalization of the quality culture
- Ensure enhancement and integration among the various activities of the college and good practices
- Provide a sound basis for decision-making to improve institutional functioning
- Act as a dynamic system for quality changes in the Colleges
- Build an organized methodology of documentation and internal communication

IQAC Structure

- Chairmanship
- Coordinator
- Management Representative
- Heads of Departments
- Academic Peers
- Industry Peers
- Alumni members
- Student representatives (One from each department)

Parameters for discussion in IQAC Meetings

The IQAC meeting would be convened by taking the following parameters in to consideration

1. Academic Activities
2. Student development Activities and achievements
3. Placement and Training Activities
4. Faculty Development Activities
5. Research Activities
6. Societal Activities

To ensure efficient functioning of IQAC, coordinator of the IQAC interacts with various functionaries and appraises the Chairman of IQAC regularly about the progress. IQAC meets twice in a year and record its deliberation and offer suggestions for improvement in academic / administrative functions.
