Dear candidates,

Greetings from the Department..!

Heartily congratulations on your admission to the M.Tech. in Green Energy Technology program..!

In continuation to the previous mail, you are hereby informed that the regular classes will be starting on December 5, 2022, Monday.

Those who are yet to finish the documents verification, are hereby asked to bring all the original documents of your academic studies, along with a set of xerox copies, as mentioned earlier.

Please plan your arrival in such a way that you come to the Department of Green Energy Technology by 9.30 AM.

It is to inform you all that the introductory meeting with the Head and the faculty of the DGET, is scheduled on **Monday, 5th December 2022 @ 10.30AM**, at the Seminar Hall, 2nd Floor. The brief details about the course syllabus and other related topics will be briefed out.

The hostel applications as per the requests received, may be collected from the office, after the introductory meeting.

Wish you all the best.

With regards,

LETTER OF RECOMMENDATION

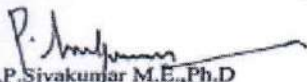

To whom it may concern:

It is with a great ardours that I am writing this letter to recommend Ms.Lavanya Vijayakumar, a promising student who is seeking admission into the Masters Programme at your reputed university. As a HOD in the Department of Information Technology, I have taught her "Computer Networks" and "Cryptography and Network Security".

I have known Lavanya for three years, I had the opportunity to watch her at close quarters. I think I can say that she is one of the finest students I have ever had in my teaching career. Not only for her interest in her ability in grasping and mastering it. I consider her to be essentially creative. She participated in seminars with a good deal of enthusiasm and made the discussion session most engaging and interesting with her lively comments and questions.

She is extremely creative, lucid, and one of the most tolerant students I have noticed. Also, She is a quick learner, possesses excellent research skills, and can focus intensely on demanding tasks. However hard a piece of work, She involves to complete it within the stipulated time. She is an individual who always seeks opportunities to learn more and shows great promise by venturing beyond the scope of the syllabi.

She will transmit the knowledge gathered from the undergraduate level to develop into a seasoned and tenured professional. I sincerely believe that she would bring her genuine energy along with a yearning desire to succeed and will be an excellent inclusion in your community. Based on her good potential, I would strongly recommend her for admission into your renowned university for a Master's program. I wish LAVANYA all in his future endeavours.

LETTER OF RECOMMENDATION

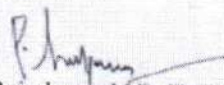

To whom it may concern:

I am writing this letter of recommendation for Mr. Vignesh Kumar in support of his application to Masters Programme at your respected University. I had the pleasure of working closely with him as his handler of subjects Computer networks and cryptography and network security

I have known Vignesh Kumar for four years. He is an exceptionally talented individual with a plethora of skills that immediately set him apart from his peers. During my time with him got to know about his interest in Python, UX Designing and Database Management System. He performed well in theory exams and laboratory activities. Besides this he also gained proficiency in various Programming languages and problem solving techniques.

Vignesh Kumar was an active participant in our discussions, and he always supported his peers. Apart from academics he has always been eager to participate in various events and added credit to our institution. I am certain that he is going to continue to do great and creative things in future and stand-out as an individual at your University.

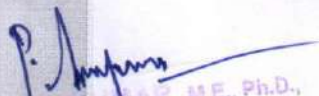

I have the deepest personal and professional respect for him, and sincerely believe Vignesh Kumar will bring his unique energy, optimism, passion, and tireless creativity to your university as a whole. Thus, he has my highest endorsement for admission into his desired course at your University. Feel free to contact me if there are any queries.

LETTER OF RECOMMENDATION

Date: 17.06.2023

I deem it a great pleasure to write a few lines to recommend **Ms. Amudha.R** for the post-graduate program in your university. **Ms. Amudha.R** student of our college during the period of 2017-2021 is known to me for four year, as her professor in the Department of Information Technology.

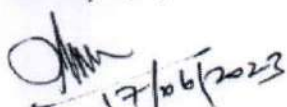

Ms. Amudha.R has been an active participant in classroom discussions and has always submitted her assignment before the deadline. She has spoken to me about her plans to pursue her master degree at your university. I believe that she has the required knowledge and skills to excel in her higher studies.

I have taken personal and abide interest in this candidate, because of her high involvement in studies and chosen field. As a student she has evinced keen interest in her course and able to grasp the concepts swiftly. Further, She comes out with innovative ideas to solve business and Societal problems.

Apart from academic activities, she actively involved in extracurricular activities. She has a great ambition to inch forward into the future.

I'm sure she will give her best in your university, hence recommend her for admission into your university.

Thank you

17/06/2023
Dr.A.Meiappane, M.Tech., Ph.D.

Professor

Department of Information Technology

Manakula Vinayagar Institute of Technology

Puducherry-605107
