

**Department of Electronics and Communication Engineering**

**Role Play Activity**

**Role of FPGA in Embedded Systems**

30th July 2024 | ECE, MVIT, Puducherry – 605107

*Students demonstrating the role of FPGA components in Embedded Systems through a role play activity at ECE, MIT Puducherry – 30 July 2024.*

*Faculty guiding students during the FPGA-based Embedded Systems role play session, illustrating signal flow and hardware logic concepts at MIT- ECE, Puducherry – 30 July 2024.*
