

MANAKULA VINAYAGAR INSTITUTE OF TECHNOLOGY
DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

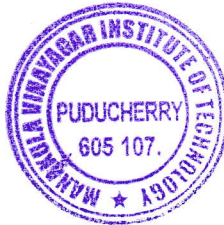

Students Extension Activities

The Students of Our Institute are motivated to conduct activities outside our Institute for developing their interpersonal Skills and exhibit their talents. They regularly reach the schools in the State and conduct activities like Robotics design, Motivation, awareness on values, computer literacy and so on.

This activity develops the students

- Self confidence
- Societal awareness
- Communication skills
- Presentation skills
- Outreach and overall personality.
