## Alumni Cell

MIT/Minutes/Alumni cell/2024-2025

Date: 10.09.24

### Minutes of Alumni meeting held on 09<sup>th</sup> September 2024 at 12.30 pm

- ✓ After induction day program **chairman, Treasurer, Principal** and **alumni** members of various department who are all came to the program had a meeting in conference hall.
- ✓ **chairman, Treasurer and Principal** thanked all the alumni members to be part of first year induction day to receive the **"best Alumni Award -2024"**

*Chairman and Principal asked suggestions for institutions future growth.*

- ❖ R.Brainard Samuel from IT department of 2020 batch he is working as a data science suggested increasing interactions between industry experts and academic institutions.
- ❖ Mr.M.Karuppasamy Pandian from MBA of 2011 Batch he emphasized the need to improve students' communication skills.
- ❖ Chairman Sir Recommended introducing the IELTS exam for 3rd-year students and also told to suggested focusing on developing communication skills from the basics.
- ❖ S. Kalaiyaran from CSE of 2022 batch he suggested introducing DSA (Data Structures and Algorithms), system design, and Mentioned the current syllabus is basic and needs to be updated to advanced levels and Highlighted that students are unaware of competition platforms and shared information about Google's hiring process, mentioning he works at Google..
- ❖ Chairman Sir Suggested preparing a competition calendar for events throughout the year, to be circulated among students for better awareness.
- ❖ Shanthini from ECE department of 2020 batch she shared information about Arifa Institute of Technology (AIT) in Nagapattinam, where there is an incubation center that helps students turn projects into products and also suggested arranging free conference collaborations for students.
- ❖ Chairman Sir Mentioned the upcoming establishment of an ATAL Incubation Center, which will be set up shortly.

- ❖ Encourage 1st-year students to participate in paper presentations and symposiums, Provide training from external institutes for group discussions and Raise awareness about public sector unit (PSU) exams.
- ❖ B.Prakashraj from ECE department of 2019 batch he Suggested motivating middle-class students and creating an ecosystem to help students overcome financial barriers and improve communication skills.
- ❖ Chairman Sir Suggested effective implementation of a student council and encouraged collaboration between students from different years, such as 1st, 2nd, and 3rd-year students.
- ❖ Ilamathi from ECE department of 2020 batch she proposed organizing more competitions within the institution.
- ❖ Athiyan from RA Department of 2024 batch he suggested combining circuit and non-circuit branches in the same class to encourage collaboration and knowledge sharing.
- ❖ R.Balasubramanian from EEE department of 2019 batch he highlighted the need for more awareness about NPTEL courses and implant training and also he addressed the challenges of core placements, particularly due to lower salaries in the field.
- ❖ S. Kalaiyarasan from CSE of 2022 batch he pointed that students lack awareness of the skills required for core companies and suggested taking reports on students' involvement in projects.
- ❖ Chairman Sir emphasized the institution and faculty's role in encouraging students' involvement in projects and also he stressed the importance of strict evaluation of assignments and projects by staff.
- ❖ Ilamathi from ECE department of 2020 batch she recommended that projects started in the 2nd year should continue until the final year to enhance their quality.
- ❖ Chairman Sir told that encouraged converting student projects into products
- ❖ Mr.M.Karuppasamy Pandian from MBA of 2011 Batch suggested that students should be required to give presentations in classrooms instead of taking a 30-minute written test.

#### **Minutes of Alumni meeting held on 09<sup>th</sup> September 2024 at 02.30 pm with Principal**

- ❖ R.Brainard Samuel from IT department of 2020 batch he proposed starting an alumni mentorship program for junior students.
- ❖ Principal Sir accepted the proposal and agreed to implement the alumni mentorship program.
- ❖ Principal Sir suggested that student projects should focus on solving industry problems and be converted into patents and publications etc.

- ❖ Principal Sir Mentioned that an ATAL Incubation Center will be established within 6 months, with work ongoing in the B.Ed block.
- ❖ Principal suggested organizing a faculty development program to train faculty on the latest technologies, which will help students stay updated with industry trends.
- ❖ Encouraged students, starting from the first year, to participate in conferences, project expos, internships, etc.
- ❖ Alumni suggested preparing a competition calendar for events throughout the year, and recommended visiting the website "unstop.com" for competition details.
- ❖ Alumni also suggested that MBA faculty provide lectures on organizational structure, finance management, etc., to engineering students.
