

IQAC – DOSSIER

APRIL 2026

- **VISION**
 - To institutionalize the quality assurance culture by evolving, enhancing and sustaining excellence in academics/co-curricular/research/extension activities and to catalyze it through regular evaluation.
- **MISSION**
 - Setting quality benchmarks, monitor and accelerate the process of attainment of outcomes
 - Developing/enhancing the co-curricular initiatives/activities among students and facilitate its systematic implementation.
 - Promoting research culture among the faculty and students.
 - Assessing the annual progress through periodic internal and external audits.
 - Building association with stake holders and stimulate social responsibility

VISION

To be a globally reputed Technical Institution creating Competent leaders and Skillful innovators in Science, Technology and Management.

MISSION

Providing a dynamic and creative learning environment for its students to acquire exemplary technical, analytical, professional skills.

Imbibing a spirit of innovation and research among its students and faculty for solving critical problems.

Promoting Innovation, Employability and entrepreneurship skills through industry academia collaboration.

Serving the society through technical intervention and creating socially responsible Professionals.

IQAC - TEAM

The launch of the IQAC Dossier represents a significant advancement in our commitment to academic excellence. Following our recent NAAC accreditation, the IQAC is set to become an integral part of the college's operations, working closely with all departments to foster a cohesive quality culture. The Dossier will play a crucial role in this effort, serving as a monthly channel for disseminating key information about the college and its activities, thereby enhancing transparency and engagement.
