IQAC – DOSSIER

VISION

To institutionalize the quality assurance culture by evolving, enhancing and sustaining excellence in academics/co-curricular/research/extension activities and to catalyze it through regular evaluation.

MISSION

- Setting quality benchmarks, monitor and accelerate the process of attainment of outcomes
- Developing/enhancing the co-curricular initiatives/activities among students and facilitate its systematic implementation.
- Promoting research culture among the faculty and students.
- Assessing the annual progress through periodic internal and external audits.
- Building association with stake holders and stimulate social responsibility

IQAC - TEAM

The launch of the IQAC Dossier represents a significant advancement in our commitment to academic excellence. Following our recent NAAC accreditation, the IQAC is set to become an integral part of the college's operations, working closely with all departments to foster a cohesive quality culture. The Dossier will play a crucial role in this effort, serving as a monthly channel for disseminating key information about the college and its activities, thereby enhancing transparency and engagement.

PROFESSIONAL DEVELOPMENT PROGRAMME (TEACHING) INTEGRATING NUTRITION, PRESERVATION AND TECHNOLOGY IN FOOD SCIENCE

(3rd March to 7th March 2025)

This PDP aims to enhance awareness of modern practices in nutrition, food preservation, and technology, while promoting innovation and academic excellence among teaching staff.

Dr.Radhika, AP/FT has delivered the session titled on "Importance of Nutrition" on 3rd March 2025.

Mr.R.Rajbharath, HOD/AI&ML delivered the session titled on "AIML Applications in Food Processing" on 4th March 2025.

Dr.D.Tiroutchelvame, HOD/FT delivered the session titled on "Basic Principles of Food Processing & Preservation" on 5th March 2025.

Ms.S.Indhumathi, Assistant Professor /FT delivered the session titled on "Exploring the role of Micro organism in Foods" on 6th March 2025.

Dr.R.Baghya Nisha, Assistant Progress/FT delivered the session titled on "Future of Food Processing" on 7th March 2025.

PROFESSIONAL DEVELOPMENT PROGRAMME (TEACHING)
IKS - ENCRYPTION & SECRET COMMUNICATION IN MAHABHARATA
(10th March to 14th March 2025)

This PDP aims to highlight ancient encryption techniques from the Mahabharata, promoting awareness of Indian Knowledge Systems.

Dr.S.Arunmozhi,HOD/ECE delivered the session titled "Krishna's Strategic Message and Hidden Meaning" on 10th March 2025

Dr.Vaitheeswaran,Prof./MBA delivered the session titled "Vidura Neeti – Hidden Warning to Yudhishthira" on 10th March 2025.

Ms.R.Priya, AP/EEE delivered the session titled "Spies and Coded Message during Kurukshetra War" on 3rd March 2025

Mr.C.Saravanan, AP/CSE delivered the session titled "Narada's Message & Power of Encrypted Mantras"on 3rd March 2025.

Ms.I.Varalakshmi, ASP/CSE delivered the session titled "Krishna's Diplomatic Strategies Related to Modern Cryptography Security" on 3rd March 2025
PROFESSIONAL DEVELOPMENT PROGRAMME (NON-TEACHING)
AI TOOLS FOR ADMINISTRATIVE EFFICIENCY
(10th March to 14th March 2025)

This PDP aims to promote awareness of AI tools for improving administrative tasks, fostering innovation and efficiency among staff.

Mr.A.Sankaran, AP/IT delivered the titled "AI Tools for Administrative Efficiency" on 10th March 2025.

Dr.R.Sofia, ASP/ECE delivered the titled "AI Tools for Administrative Efficiency" on 11th March 2025.

Ms.SK.Suguneedham, AP/AI&ML delivered the titled "AI Tools for Administrative Efficiency" on 12th March 2025.

Ms.R.Priya, AP/EEE delivered the titled "AI Tools for Administrative Efficiency" on 13th March 2025.

Ms.K.Kavitha, AP/CSE(ICB) delivered the titled "AI Tools for Administrative Efficiency" on 14th March 2025.

CAREER GUIDANCE CELL(CGC)

Career guidance programs empower, cybersecurity roles offer a future-proof career by ensuring digital safety, promoting skill growth and securing long-term job opportunities.

The Department of CSE(ICB) organized a CAREER GUIDENCE SEMINAR titled "FUTURE-ROOF FOR CAREER: EXPLORING ROLES IN CYBER SECURITY" for Second year students on 23rd March 2025.

Entrepreneurship Development Cell(EDP), Cultural Club and Women Empowerment jointly organises MVIT - SANDHAI to encourage Women self help groups which fosters creativity, entrepreneurship and community support on 5th March 2025

Entrepreneurship Development Cell(EDP), Cultural Club and Women Empowerment jointly organises MVIT - SANDHAI to encourage students which fosters creativity, entrepreneurship and community support on 6th March 2025

Entrepreneurship Development Cell(EDP), Cultural Club and Women Empowerment jointly organises MVIT - SANDHAI to encourage parents and women faculty which fosters creativity, entrepreneurship and community support on 7th March 2025

INDUSTRIAL VISITS

The Industrial visits enhance the understanding of theoretical concepts through real world applications and promote Industry academia collaboration.

An industrial visit to "REIL Electricals" at Puducherry was organized on 6th March 2025 for the Second, Third and Final year EEE students. This visit was organized by Mr.Rajkumar, AP/EEE and Ms.R.Priya, AP/EEE

Field Trip to "Thiruvakkarai Fossil Park" from 6th March 2025 to 6th March 25 for the First year B.Tech students. This visit was organized by Dr.N.Dhurga, AP/English and Ms.Arokiyamary, AP/Chemistry.

An industrial visit to "SOLAR ROOF TOP POWER PLANT" at Puducherry was organized on 3rd March 2025 for the First year Mech students. This visit was organized by Mr.Natarajan, AP/Mech

An industrial visit to "GREEN ENERGY TECHNOLOGY BATTERY LABORATORY", at Pondicherry University was organized on 25th March 2025 for the Second year Mech students. This visit was organized by Ms.Deeba , AP/Mech and Mr.Natarajan, AP/Mech

Field Trip to "Veedur Dam" from 6th March 2025 to 11th March 25 for the First year B.Tech students. This visit was organized by Mr.Balaji, AP/Chemistry.

The Department of Management studies organized an Industrial Visit to M/s Kannan Devan Hills, Kerala, for the Second Year Students on 7th & 8th of March 2025

COMMEMORATIVE DAYS CELEBRATION – MAPPING SDG GOALS

Activities foster a deeper understanding of global challenges, encourage student engagement, and drive meaningful action.By aligning commemorative days with the SDGs, we ensure that the focus is not only on raising awareness but also on taking concrete actions towards achieving global goals

The Department of Electrical and Electronics Engineering organized a Poster and Digital Banner Presentation on the theme "Safety & Well-being: Crucial for Viksit Bharat" on 4th March 2025 at MVIT.

The event highlighted health, safety, and sustainable development (SDG 3 & SDG 8), encouraging students to promote a safer future through creative expression.

Mr. Murugavel Bala (Chief Skills Officer, Shield Group, Chennai) delivered a guest lecture on "Unleashing the Power of Engineers to Advance SDG" on 4th March 2025, organized by the Department of Mechanical Engineering.

The lecture emphasized engineers' role in sustainable solutions (SDG 9), promoted quality education (SDG 4), and inspired contributions to sustainable communities (SDG 11).

The Women Empowerment Cell organized a celebration for International Women's Day on 8th March 2025, featuring awareness and empowerment activities to honor women's achievements.

The event fostered gender equality (SDG 5), promoted inclusive leadership, and supported education and empowerment initiatives (SDG 4).

Mathematics Club organized a Poster Presentation on "Pi and Its Applications" for World Pi Day on 14th March 2025. Students showcased creative posters on Pi's real-world significance.

The event promoted mathematical thinking and STEM appreciation (SDG 4), encouraging critical thinking, innovation, and interdisciplinary learning.

The Department of Electronics and Communication Engineering organized a Poster Presentation on 20th March 2025 for the International Day of Happiness. Students highlighted themes of happiness, mental well-being, and positive living.

The event promoted emotional well-being and a positive campus vibe (SDG 3), while fostering self-awareness and student engagement through creative expression (SDG 4).

The Department of Computer Science and Engineering organized a One-Day Seminar on 22nd March 2025 for World Water Day, focusing on water conservation and sustainable management.

The event supported responsible water use and environmental care (SDG 6), while promoting awareness-based learning and sustainability education (SDG 4).

The Department of General Engineering organized a Mathematics Model Making and Quiz Contest on 4th March 2025 to celebrate World Engineering Day. The events were conducted for first-year B.Tech students, encouraging creativity and innovation in mathematical applications.

the event promoting analytical thinking and problem-solving skills (SDG 4), while fostering academic enthusiasm and awareness of engineering's global impact (SDG 9).

QUALITY IMPROVEMENT PROGRAM (QIP)

The Quality improvement program session enhances the student learning outcomes and promotes creativity and innovation.

A Quality Improvement Program on "The Unseen Influence and Quality of Ancient Indian Contributions to Global Science & Technology" on conducted by Mrs. J.V. Pesha, Assistant Professor, for Second Year RA students on 7th March , 2025.

A Quality Improvement Program on "Connecting Ancient Wisdom with Modern Innovation" was conducted by Mrs. J.V. Pesha, Assistant Professor, for First year RA & EEE students on 13th March , 2025.

Quality Improvement Program on "Connecting Ancient wisdom with Modern innovation" was presented by Ms. J. V. PESHA, AP/RA for First-year B.Tech Robotics students on 17th March 2025.

Quality Improvement Program on "Improving food Quality using indigenous processing technique" was presented by Ms. Indhumathi, AP/ FT to First-year B.Tech Food Technology students on 17th March 2025.

Quality Improvement Program on "Ancient Indian concepts in Modern Cryptography" was presented by Ms. Adolphine Shyni, APCSE(ICB),to First-year B.Tech CSE(ICB) students on 18th March 2025.

Quality Improvement Program on "IKS in power" was presented by Dr.Seduraman, ASP/EEE for First-year B.Tech EEE students on 18th March 2025.
Quality Improvement Program on "INFORMATION SECURITY PRINCIPLE FROM ARTHASHASTRA", has delivered by Ms. I.Varalakshmi, Associate Professor, Department of CSE to First-year CSE students on 19th March 2025.

Quality Improvement Program on "A holistic IKS approach to image quality enhancement" was presented by Dr.R.Sofia, ASP/ ECE to First-year B.Tech ECE students on 19th March 2025.

Quality Improvement Program on "Excellance in AI-Bridging Ancient Practices with Modern Predictive system" has conducted by Mr. R. RAJ BHARATH, HoD, Department of AIML for First-year B.Tech AIML students on 20th March 2025

A Quality Improvement Program on "IKS with UY/UX" has conducted by Ms. Prabavadhi, AP/IT for First year IT students on 20th March 2025

A Quality Improvement Program on "Designing an Outcome based Curriculum: A Strategic Approach to Syllabus Structuring" has conducted by Dr.Sheela Ramachandran, Pro-Chancellor, Atmiya University, Gujarat for Faculty members on 29th March2025

Quality Improvement Programme on "Enhancing Financial Awareness towards Mutual Fund Products" by Mr. Marie Michale Jayeprakash, Director, Mcube Academy for the Second Year MBA Students on 19th March 2025

ALUMNI CONTRIBUTION
(Workshops/Seminar)

Ms. R. Vijayalakshmi (Batch : 2020-2024), Conducted Workshop on " Group Discussion and Professional e-mail writing" for second year CSE students dated on 24^{h} March 2025.

Orientation Program

Mrs. J.V. Pesha, Assistant Professor/RA, delivered an Orientation Program titled "Exploring Robotics & AI" for Second year Robotics students on 5th March, 2025.

Orientation seminar on Tech Savvy Beginning: Mastering the Essentials of Computer Science 7thMarch 2025 for Second year CSE Students.

Orientation seminar on "Tech Savvy Beginning: Mastering the Essentials of Computer Science" for Second year CSE Students on 7thMarch 2025

Orientation session on "Future Forward-Innovation Shaping Businesses Today" for the students of various engineering colleges of Puducherry at Pondy Southern Residency, Puducherry. The Session was delivered by the Resource person, Mr. RadjaRadjane, Founder and CEO of Scalejet Technologies for MBA students on 30th January 2025.
